## **PJH Girls Basketball Team Visits University of Oklahoma**

For the second year in a row, the University of Oklahoma Women's Basketball Program donated tickets to Paris Junior High School's girls basketball coach Hiyadeja Moore and she took the 8th grade team on a field trip.

The invitation was also extended to the freshman team and Paris High School's Hope Beck and Jada Woodberry traveled with the 8th graders to Norman, OK, and watched OU play nationally ranked Baylor University.

OU player Aspen Williston met with the girls after the game and she and her teammates signed posters and took pictures with our Paris Lady Cats.
