Math Parent Nights

In response to new TEKS and math materials, we will be hosting Math Parent nights where you can find out more about what your student is being taught in math. The purpose of these meetings is to communicate information about the pace and rigor of the curriculum, and to provide parents with strategies to assist their child. The first Math Parent Night is Monday, September 8th at 6:00 PM in the Crockett Band Hall. The remaining dates are October 27th and January 12th.

Class Representative to Student Council..

Applications will be available on September 2nd and will need to be returned on September 12, before the end of school day. Applications may be picked up from homeroom teachers. Elections will be on September 17th and winners will be announced on the morning of September 18th.

UIL Sign up for tryouts will be Friday, September 5th and Monday, September 8th in the cafeteria during lunch periods. Tryout dates to be announced at a later date.

Did you know? School lunch accounts can be refilled online? Just visit the Paris ISD website and follow the link for LUNCH NOW. It's a great way to keep your student's account up to date.
