It is important for students to be sure that they have turned off the "personal hotspot" option on their phone. The active hotspot can cause interference on our school Wifi. Cell phones are kept in lockers but may still be transmitting a wifi signal.

If your child needs help turning off their personal hotspot, they can ask for help from their teacher, Mrs. Alsop in the library or Mrs. Lester in Room 108 without getting in trouble for having the phone. Thank you for your understanding in this matter.

CROCKETT LIBRARY NEWS

Book Fair coming soon! October 19th—the library will be open during Open House! This is a great opportunity to purchase some really great items. Proceeds come right back to the library for new books!

Find information about library services at http://cis.parisisd.net/122969_2

UIL UPDATES CAN BE FOUND AT:

http://cis.parisisd.net/67590_2

As a reminder—if your student is in UIL, please make sure rides are arranged for after school practices.

If you will be visiting Crockett, you will need to have a valid Drivers License.

Please check in at the office.

This includes teacher visits and lunch with your student.
