

ATTENTION CLASS OF 2019 GRADUATES

Beginning with the Class of 2019, NISH would like to announce that graduates will now be able to earn **additional graduation tickets** based on their ACT and WorkKeys exam scores.

How it Works:

ACT Composite Score between 33-36	2 additional graduation tickets
ACT Composite Score between 25-32	1 additional graduation ticket
WorkKeys Composite of level 6 (Platinum)	2 additional graduation tickets
WorkKeys Composite of level 5 (Gold)	1 additional graduation ticket

Graduates can earn the extra tickets from **BOTH** tests. This means that a student has the opportunity to earn an additional **4** graduation tickets!

Visit www.act.org to register for upcoming ACT exams. Graduates will receive additional information on their WorkKeys testing schedule early in the Spring 2019.
