

# SEPTEMBER

The Week of the September 8, 2020

## Learning Focus

**Math:** This week we will be learning about Place Value up to the 100,00. We will learn the many ways to represent a number (ex: standard form, word form, pictorial form, expanded notation and expanded form)

**Social Studies:** Studies Weekly week 1: "Where In The World Are You?"

**Reading:** This week, we will read "When Virona the Corona Came to Town". We will brainstorm ways to stay safe at school. We will also set up out reading and word study journal.

**Language Art:** Cursive "I", Behind the Mask writing activity

## Events

September 8th - 1st day of School

## Reminders

Shining Brighter Together
