## TRAVEL & MILEAGE 2018-2019

### Mileage:

A few years ago, the Board changed the reimbursement rate for all employees being paid on a per mile basis for using their personally owned vehicle while in the conduct of official School Board business. The policy now adjusts the rate each year, effective July 1, to the same rate being paid by the State of Louisiana and remains that rate for the entire fiscal year.

Vermilion Parish School Board's current reimbursement rate for the 2017-2018 fiscal year is 53c per mile. **The reimbursement rate will change to 54c per mile** effective July 1, 2018 and will remain the same for all travel for School Board business during the 2018-2019 fiscal year.

### Meals:

Employees, while on **overnight travel status**, may be allowed the approved reimbursement rate for meals. Like mileage, the reimbursement rate for meals is adjusted annually, effective July 1, to the same rates being paid by the State of Louisiana for "Tier I" travel and will remain that rate for the entire fiscal year. **The reimbursement rate for the 2018-2019 fiscal year will not change**, the rate will remain as follows:
