RE: School Closures due to COVID-19

Due to the Governor's proclamation on 3/13/2020, Vermilion Parish Public Schools and Central Office are being closed beginning March 16th to April 17th. The Governor's proclamation closes school from March 16th - April 13th. Our closure continues through the Vermilion Parish spring break April 10th - April 17th. Students and staff report back to school on April 20th, unless further closures are announced by the Governor. Updates will be posted on the VPSB website (www.vpsb.net) and will also be shared through the news media. All schools and central office will be closed during this time. All school sponsored events and athletic games and practices are cancelled immediately and until further notice.

Adjustments to pacing, grading and testing will be made in collaboration with the Louisiana Department of Education (LDOE).

Our thoughts and prayers are with all of our students, staff, families and community members. We hope that all remain healthy during this unprecedented time.

Interim Superintendent

James B. Prudhomme
