Enrollment Physical Exam Follow-up

To the Parents or Guardians of:_______________________________________________ Date:___________

When your child was registered for kindergarten, you were asked to obtain a physical examination. This examination is a state requirement for entry into first grade, and it is recommended that it be completed prior to kindergarten entrance.

As yet, we have not received a report of your child's examination or the exam doesn't fall within the dates required by the state. For your convenience, we have attached another copy of the required School Health Report. A waiver has also been enclosed should you choose not to have the exam. Please have this report or waiver completed and return it to school as soon as possible so your child will be in compliance for first grade.

Please complete the lower portion of this paper and return it to the school nurse. If you need assistance or require additional information please feel free to contact me at 969-3249 Ext 405. Thank you for your cooperation in this matter.

Sincerely,

Cassandra Ornelas RN, BSN
School Nurse
