

Directory of Participating Kansas Delta Dental Premier Dentists

This directory is subject to change. Our website, www.deltadentalks.com is updated more frequently than printed directories. As a member it is your responsibility to confirm the network status of the dentist before receiving services. Current network information is also available by contacting Delta Dental Customer Service at 316.264.4511, 800.234.3375 or moreinfo@ddks.com.

As a Delta Dental subscriber, you are free to obtain treatment from any licensed dentist of your choice; however, there may be a difference in the amount of payment which will be made by Delta Dental if the dentist chosen is not a participating provider with Delta Dental at the time services are performed. In addition, if you go to a non-participating dentist, you will receive applicable coverage payment directly, and you will be responsible for all additional charges from the dentist. (Please refer to your Description of Dental Care Coverage booklet for additional information.)

If you require information about participating dentists in the Kansas City, Missouri metro area, please visit our website or contact our customer service department.
