

FuelEd DIGITAL CURRICULUM

PEAK Platform Course List

2019–2020

Our expansive course catalog allows you to meet each student at his or her point of need—from those who are struggling, or at risk of dropping out or not graduating on time, to those seeking greater academic challenges or enrichment in their learning. Our courses have been crafted based on education research, are aligned to critical learning standards, and are designed to help teachers prepare students for academic success.
