Parents and Staff,

Hale Center ISD has been notified that a person who attends CMS has tested positive for COVID-19.

The individual is not on campus and has begun their quarantine.

Carr Middle School is sanitized daily and any affected areas are deeply cleaned.

Out of an abundance of caution, we advise you to monitor your child's health and contact your primary care physician if any symptoms develop. Should students develop symptoms, the appropriate district administrator should be immediately notified.

Sincerely,

Steven Pyburn

Superintendent of Schools
