SCHOOL PROTEIN ENHANCEMENT PROJECT

Wind River/Crowheart Schools’ lunch program is seeking donations of beef, pork and lamb to enhance the school lunch program. The program is designed to introduce school-aged children to local producers by consuming locally raised meats.

HOW IT WORKS:
Federal guidelines and Wyoming Department of Education policy requires that meat for consumption through the school lunch program be processed at a USDA approved processor.

THE PROCESS:
- Producers may donate beef, pork and/or lamb.
- Please contact Linda Evans in the Business Office, at 856-7970, extension 121, if you are interested in donating.
- Producers who donate the meat will be advertised on the school website and in the schools.

WHAT TYPE OF ANIMALS CAN BE DONATED?

BEEF
- **Market steers** (1000 to 1500 lbs.) and **Open heifers** (less than two years old)
  - Both will be processed for ground beef, roasts, and select cuts.
  - Ground beef will be used for hamburgers and hamburger-based recipes.
  - Roasts will be used for shredded beef recipes and special school functions.
  - The select cuts will be used for special school functions, dinner events, and extracurricular events.
- **Cull cows and Cull bulls**
  - Will be processed into ground beef/patties

PORK
- **Market hogs** (225 to 300 lbs)
  - Market hogs will be processed for bacon, sausage, ham, and select cuts.
  - The bacon and sausage will be primarily used for school breakfast and other bacon- and sausage-based lunch recipes.
  - The ham will be used for sandwiches, ham and beans, and special school functions.
  - The select cuts will be used for special school functions, dinner events, and extracurricular events.
- **Cull sows and Cull boars**
  - Will be processed into ground sausage

LAMB
- **Lamb and cull** lambs will be processed into ground meat.
