Virtual Arkansas will conduct a 20-day Summer Session in June. Classes will begin on Tuesday, June 2, 2020, and conclude on Monday, June 29, 2020. Students may earn up to one (1) full credit during this window of opportunity.

1. Students will cover the required standards and frameworks for the course.
2. All courses will be conducted as Flex paced and are NCAA approved. Students may work at an accelerated pace that would result in their completing the course prior to the end date. For students who need a more structured environment, the course will be paced out over the 20 days.
3. Teachers are not required to conduct the scheduled live sessions with students. However, students may request that the teacher connect with them over Zoom if they are having difficulty with the content. The teacher may require a student to join a live Zoom session for intervention purposes.
4. Students may work on the course content off-campus, but they must be on-campus to complete assessments requiring a password under the supervision of a trained facilitator.

The district will set the hours for their students. Given the 20-day length of the Summer Session, to earn a .5 unit of credit, it would require a student to work on the content for approximately 3 to 3.5 hours per day to cover the course content in the time allowed. To earn a full unit of credit, it would require a student to work on the course content for approximately 6 to 7 hours per day.

The district is responsible for ensuring the required technology and materials are available to their enrolled students. Virtual Arkansas will provide a numerical grade and the district/school provides the letter grade.

The per student, per ½ unit fee for all enrollments, including credit recovery will be $100. The fee for students earning a full unit of credit will be $200. The deadline to drop a student so that the student is not included on the Summer Invoice, is the close of business on Friday, June 5, 2020.
