

Cleveland Middle School Presents: CMS SPOTLIGHT SERIES

CMS would like to introduce Officer John F. Mays to CISD and the community. He began his law enforcement career in 1994 with the City of Splendor Police Department. He has served in several positions within the department until being appointed Chief of Police in 1997. He held that position until 2007 when he began working with the Splendor ISD Police Department. Officer Mays worked with Splendor ISD PD for 11 years. He began working for Cleveland ISD in 2018. He said, "I continue protecting our future by working with an amazing group of men and women in law enforcement providing the children and staff of Cleveland ISD with the safest place possible to get an education and be employed." We are so blessed to have him on our staff here at CMS and CISD. We are #onetribe
