Dear Parents,

A free after-school tutoring program is being offered to fourth grade students who are **at-risk** for failing ELA and/or Math. Your child is eligible to attend this program, based on his/her scores on the LEAP test.

The goal of this tutoring program is to provide extended time for direct, small group instruction for one hour and thirty minutes, two days a week, beginning January and ending April 2020. (Exact dates for your school's program will be given at a later time.) Transportation will be provided if needed.

If you would like for your child to participate in this tutoring program, please sign this form and return it to your child's classroom teacher **by** _____. Classes will be filled on a first-come basis.

YES, I want my child, _____, to attend *Fourth Grade At-Risk Remediation* after-school tutoring.

____ I will pick up my child after tutoring sessions.

____ I will need transportation provided for my child after tutoring sessions.

NO, I do not want my child, _____, to attend *Fourth Grade At-Risk Remediation* after-school tutoring.

I understand that my son/daughter was identified as **AT-RISK** because his/her state standardized test scores were *at or below the Approaching Basic* level in ELA and/or Math on the 3rd grade LEAP tests, or he/she scored *below the Basic/Approaching Basic* combination achievement level of the 4th grade LEAP tests.

I also understand that my child is being offered remedial instruction opportunities in the "at-risk" subject(s) to strengthen his/her skills; however, I would like to **opt out** of this offered remedial instructional opportunity for my child.
