1. List specific behaviors that suggest to you that your child is gifted. Please include a brief development history.

2. Historically, what has been your child’s yearly average? (Approximately)

3. What subject(s) does he/she like best?

4. How does he/she relate to family members and others within the community?

5. Please provide any additional information that could assist school personnel with planning for your child’s instructional needs.
