

Schulter Duo Makes History

Former Schuler High School basketball teammates Kelly (Kindell) Weigand, left, and Rikki Wolfe got an opportunity to compete in a state basketball tournament, as the duo was a part of the Lady Bulldogs' 2006 state tournament team. Last Thursday and Friday, the former SHS duo had the opportunity to do something extra special, as the former SHS standouts got the chance

to coach at State Fair Arena in Oklahoma City. Weigand, an assistant coach for the Dewar girls basketball team, was on the bench for the Lady Dragons' Class A quarterfinal matchup with top-ranked Selling on Thursday. Wolfe, the head girls basketball coach at Sasakwa, coached the Lady Vikings during their second-straight trip to the Class B state basketball tournament.
