

March 16, 2020

Dear Parents and Families,

The Oklahoma State Board of Education held an emergency meeting this afternoon resulting in a mandate that all public schools in Oklahoma close from March 17 through April 6. This includes all extracurricular activities.

The Wellston Public Schools leadership team is working diligently with top leaders in our state to stay abreast of the most recent developments. As our understanding of the coronavirus/COVID-19 pandemic changes rapidly, it's important for our community to remain calm and continue to practice preventative measures such as good hand hygiene, staying home when sick, avoiding large crowds and social distancing.

The health of our students and staff continues to be our number one priority. If you believe you have been exposed to the coronavirus/COVID-19 and/or have symptoms, immediately self-quarantine and contact the COVID-19 Call Center at (877) 215-8336 or call the Lincoln County Health Dept. at (405) 258-2640.

Thank you for your help in keeping our community healthy and safe. We will update information as it becomes available.

Sincerely,

Dwayne Danker

A handwritten signature in black ink that reads "Dwayne Danker". The signature is written in a cursive style with a large, prominent 'D' at the beginning.
