Where: To be determined on a case-by-case basis

Who: All students grades 6th-12th who are willing to learn

How: Contact Tobiah McConnell (contact information below) to setup a session or to ask any questions.

Tutor's Biography:

My name is Tobiah McConnell. I was raised in Wellston. I was homeschooled through the 8th grade but attended Wellston High School for 9th and 10th grade. I then transferred to the Oklahoma School of Science and Mathematics for my last two years of high school. I have a Bachelors in Economics from OSU, and a Masters in Public Administration from UCO. I currently work as a Data Engineer for a company based out of Stillwater. My wife and I recently moved back to Wellston. I love learning and helping others to learn. I do not profess to know a lot about every subject, but am confident that I can help someone learn in any subject. Please let me know if I can be of any service!

God Bless,
Tobiah McConnell
