December 11, 2020

Wellston Parents and Fans,

As you may be aware, the Governor issued a mandate yesterday to limit the seating at youth sporting events to fifty percent or only four guests per participant (whichever is lower). After a meeting with the Athletic Director and Superintendent, we have elected to limit the seating at all Wellston basketball games to **four guests per participant**. This will continue the remainder of the season or until the Governor changes the order. This will begin the week of December 14th 2020.

We are requesting that the parents of all players call or e-mail the school and submit the four names for their guest list that will be allowed entry into the games. Guest lists may be altered or changed from game to game. We are asking that the guest list for each player be submitted by 10:00 AM on the day of the game. Guest lists can be e-mailed to Mr. Coulson at mcoulson@wellstonschools.org. Once a guest list for each participant has been recorded, the names will be checked upon entry into the games by administration and staff. The guests will then pay, enter the gymnasium and sit in family groups socially distanced from other spectators.

If you have any further questions or concerns regarding this new process, feel free to call the school. We appreciate your cooperation as we move forward with the new guidelines that have been implemented by our Governor. The most important thing we can do is have a positive attitude and do our best to support our players while maintaining a safe environment. Our students have been through so much the past few months, and I hope we all show them our support, love and enthusiasm as we all navigate through this pandemic.

Respectfully,

Marty Coulson
