October 8, 2020

Wellston Middle and High School Parents,

We are extremely excited about the success we have had during our first nine weeks of instruction this year. COVID-19 has changed the way we manage our students, walk the hallways, eat our meals and most of all teach our classes. Therefore, we are changing the format of our fall parent/teacher conferences next week. We are asking our parents to contact their child's teacher via e-mail or by a phone call to set up an appointment for the parent/teacher conferences. The teachers have been given a sign-up sheet to begin scheduling conferences in fifteen minute intervals from 4:00- 7:00 pm next Monday and Tuesday evening. Parents are welcome to schedule an in-person conference or a telephone conference. Some teachers use Zoom as a method to communicate. Feel free to ask your child's teacher if this option is also available.

A teacher e-mail list has been placed on the Wellston School's website at [www.wellstonschools.org](http://www.wellstonschools.org) so it will be easy to locate your child's teacher. Feel free to contact the office if you need further assistance in reaching a teacher. We are also asking that there be a limit of two guest per child at the meetings. We are spacing chairs six feet apart in the buildings and may use the cafeteria as a staging area if there is a short wait time between conferences. Wearing masks in the building is recommended but not required. Thank you for your patience and understanding as we try our best to incorporate these safety precautions into our parent/teachers conferences next week.
