

West Ridge Middle School
Seventh Grade Advanced Math (Mrs. O)
Weeks of May 3-21, 2021

*****Students who are absent must check Google Classroom. All notes, instructions, and assignments are listed there each day. They can also email me at onyemechara@opsb.net or comment on Google Classroom with any questions or concerns.*****

May 3-7, 2021: Students will be taking the LEAP 2025 Test.

May 10: Students will be taking the Algebra I Placement Test (library)

May 11: Students will be taking the 7th Grade Benchmark Test

May 12-20: Students will be preparing for Algebra I. We will learn about exponents, squares and square roots in one-step equations, slope, and linear equations. Daily absentee assignments will be posted on Google Classroom.

May 21: Awards Day for 7th Grade

May 24: Makeup Work (I will be absent, so all work needs to be completed by May 20.)
