**\*\* Quick Notes are grammar sheets for students to use as a study guide for nightly review.**

Students will also receive a "Grammar "Cheat Sheet" to study over each night on the grammar skill of the week. It can be found in the English section inside a sheet protector in your child's binder. Some weeks there may also be study guides sent home in addition to the Quick Notes. Quick Notes are under Class Documents on my English Page on WRMS Messenger.

**Student should check Google Classroom daily for possible NOTES or Assignments.**
