helper in the classroom!  
Way to go Cambryn!

## Classroom News

**Happy September! We have almost made it through the first half of the first nine weeks of school.**

**Test papers and progress reports are being sent home on September 21. Please sign both the test papers and the progress report and return. Please encourage your child to read their library books and take their Accelerated Reader Test. Encourage them to read their book a couple of times because they must make a 90 on the test to get points. They can get brag tags to put on their book bag with points earned on Accelerated reader. We are learning odd and even numbers in Math this week. Please continue to help our child learn their addition facts by completing their homework.**
