Read Across America Week

We are celebrating "Read Across America" week; this week is a celebration of Dr. Seuss's birthday! We celebrate him every year by having fun dress up days and honoring him by reading his books and watching videos about his life! This year our dress up days have been so fun! They are, "Cat in the Hat Day" - where everyone got to wear their favorite hat, "Fox in Socks Day" - you wear your craziest socks, "Wacky Wednesday", dress up as your favorite Dr. Seuss character, "Green Eggs and Ham Day" - everyone wears green, "One Fish, Two Fish, Red Fish, Blue Fish Day" - wear as many colors as you can! We celebrate Dr. Seuss because he created many children's books for all kids to enjoy!

"The MORE that you READ, The MORE things you will KNOW. The MORE that you LEARN, The more PLACES you'll GO." -Dr. Seuss

3rd Grade States

3rd grade made state boxes that represent all states. We hope you were able to check them out! They labeled them by the name of the state. Some boxes had buildings, some had animals, and some even had people in history that may have traveled there or lived there. Everyone worked very hard and did a great job on their projects. The Pennsylvania box had information about when George Washington was elected president of U.S and what it looked like back then in 1780! The Minnesota box had lots of buildings that are still standing today; it also had a lot of animals like horses, pigs, cows, and sheep. It was loaded with facts all about Minnesota! Third grade did a great job on these projects!

Flu Season!

As you know it is still flu season and kids keep getting sick. You might need to remind your friends and family members not to touch things that other people may have touched and to make sure you are washing your hands. This flu is no ordinary flu- if you become sick with the flu you might even complain that your eyes hurt and your stomach hurts! Make sure you keep yourself safe and away from anything that has germs. Remember- if you have the chance to wash your hands- do it! Good hand washing may prevent you from getting the flu!

Congratulations to Mrs. Dunn
and her family on the arrival of
her new son!

Beckett Paul Dunn

Lost and Found!!!

Is your child missing a jacket? If so, PLEASE come check the lost and found. It is in the main hall as soon as you walk out of the office. Thank You.

LES Future Career Week

LES had our annual career fair. It went on through the second week in February. Pre-K did a hand puppet show of what they wanted to be when they grew up. Kindergarten put on a career parade! They all dressed up as what they wanted to be when they grew up. First grade did dioramas! They focused on people in our community that help and serve others. Second grade made their own business plan over a service or a good they wanted to provide. They were displayed in the hallway for everyone to see. Third grade did a presentation during parent teacher conferences over what they wanted to be when they grow up. Fourth grade had their career fair in the storm shelter. They made boards with lots of information on them about the career they would like to have in the future.
