

District 25 1A Basketball Mask Announcement

In an effort to be able to continue inside sporting events, our basketball District Executive Committee has adopted a mask policy. Masks are required the entire time while inside our facility. That includes properly wearing a mask for entrance into the building and also while seated watching the game. Masks are to be worn over the mouth and nose. We understand the need to take a mask break. Feel free to exit the building and take a break as much as needed. There is no cost to re-enter. Please be aware that all guests must follow this requirement to remain in the facility. We appreciate your cooperation in this matter.
