WELCOME BACK

Welcome Back! We are so excited to get the 2021/22 school year kicked off. We want to kick off the new year with a reminder of our learning goal: "1.0 Watch us Grow!" Please read at home with your student and help your child practice their math facts. We want to work together to have great successes this year.

Student Self-Screening – please screen your child each morning before coming to school. If your child is sick, please keep them at home. Students should be symptom free for 24 hours before returning to school from any illness.

Shot clinic We will be hosting a shot clinic for flu and COVID only. Elementary students must be over five and have a parent present for the flu shot. Anyone 12 and older can receive a COVID vaccine or a flu shot, but must have parental consent. Forms must be completely filled out. This shot clinic is open to the community as well. COVID shots are FREE to anyone with or without insurance. Flu shots are \$24.95 if you do not have insurance.

Student Pickup and Drop off

Please remember that you need to drive through the line and not park. Students will be loaded from in front of the elementary and administration office porch. Please do not turn out of the pickup line. You need to wait until the car in front of you pulls forward. Please have patience and follow our procedures. These are in place for the safety of our students.
