

In the Spotlight

Mr. Villa **Teacher of the month | April 2022**

Mr. Villa was inspired by his high school science teacher's ability to guide students, sense of justice, and humor. He uses these in his own classroom to help inspire students. He has been a teacher nine years and has worked at LRFMS for nine years. Mr. Villa believes that social studies is important for students, as it can help them understand the world they live in; this could help them make informed decisions. Mr. Villa believes that Lionel Messi is better than Cristiano Ronaldo. Mr. Villa wants to share the following: Courage doesn't always roar. Sometimes it is a quiet voice at the end of the day saying, "I will try again tomorrow."
