

In the Spotlight

Ms. Canoy

Teacher of the month | December 2021

Ms. Canoy was inspired to become a teacher by her aunt who was also a teacher. She enjoys helping kids find and express themselves. She has been working at LRFMS for over three (3) years, and has taught for a total of seven (7) years. Ms. Canoy enjoys reading and watching movies. She especially enjoys clothing and likes to dress up. She feels that Reading plays a vital role in people's lives, so it is crucial for students to learn the different reading skills. Ms. Canoy's advice to LRFMS is: "**Patience;** even when it seems impossible. **Persevere;** even when it seems hopeless."

Congratulations Ms. Canoy!
