

In the Spotlight

Mr. Montemayor

Teacher of the month | February 2022

Mr. Montemayor decided to become a teacher to help make a difference in the life of students, and also because of his love of sports. Mr. Montemayor has been a teacher for 19 years. Mr. Montemayor is hopeful that after the pandemic, more students will have the opportunity to participate in a sport. He enjoys teaching Physical Education because he feels it helps students express themselves in a different way and it also helps release stress. Mr. Montemayor believes that no matter how hard life is, we can continue to care for ourselves as well as our loved ones.

Congratulations Mr. Montemayor!
