

In the Spotlight

Mr. Olivas

Teacher of the month | January 2022

Mr. Olivas has been a teacher for the last 21 years! He has taught at LRFMS for 16 years and briefly at the Presidio High School. He decided to become a teacher inspired by teachers, and he enjoys guiding and advising the youth. Mr. Olivas enjoys time with family, especially when reading, camping, grilling and staying fit. Mr. Olivas's advice to LRFMS: "Treat each period as a training session. If you remain productive bell-to-bell, you'll get the most out of it."

Congratulations Mr. Olivas!
