## Feature Class of the Month

### Fourth Grade

by: Alexa Nelson

The fourth grade class is the feature class of the month for January. Their teacher is Mrs. Jensen. We interviewed the class. Here are some of their answers. In math, they're learning how to divide, and in Social Studies they are learning about our economy. Their favorite subjects are social studies, math, and reading. The fourth grade said that they enjoy their teacher, Mrs. Jensen, because of her sense of humor. The advice they gave the third graders is to be prepared every morning.

### FFA Officers

By: Zoey Ator

We've interviewed some FFA Officers. The two we interviewed are ninth graders. Walker Ator responded the question, "Why did you join FFA?" He said, "It is fun, and you can learn good leadership skills." Sandi Hicks said, "It's something different than what I grew up doing." We also asked them "What projects are you working on?" They said, "We are making pillows out of old FFA jackets."
