High School:

**Our 3rd Annual
Junior Achievement Stock Market Challenge
is coming soon!**

When: Thursday, February 24, 2022

Where: DoubleTree by Hilton Cedar Rapids

Time: 9:00 AM CST

Junior Achievement of Eastern Iowa's (JAEI) Annual JA Stock Market Challenge event allows participants to experience the fast pace, cut throat day in the life of a stock market trader. The Stock Market Challenge is a technology based simulation of the stock market in which every 60 seconds represents a day of trading. Beginning with a hypothetical account balance of \$500,000, the stakes are high and the competition is fierce. There will be a straight forward student competition during the day and a no holds barred adult version in the evening.

Approximately 150 high school students will complete five in-school lessons on investments before competing in teams of four at the student JA Stock Market Challenge earlier in the day from 9:00 a.m. to 11:00 a.m., allowing the students to experience all the rush with none of the risk. Students will also have a chance to review their results and analyze the impact of their trades after the event. Student team registration is open to any 9th-12th grade students.

See Mrs. Wiebbecke to sign up.
