Juniors & Seniors: Are you having a hard time figuring out what you'd like to do after high school? Would you like some more information to help you pick a career/major? If so, consider signing up to take the ASVAB. This is an optional, FREE test, that will be offered Wednesday, October 26th from 12:30-2:30. Although you sometimes hear about this test when it comes to the military, it is not a military test. The military will NOT receive your information, and no members of the military will be recruiting at any point before, during, or after this test. (However, those interested in pursuing military careers can use these scores later on when they enlist.) This test has 8 sections: Science, Math Knowledge, Word Knowledge, Arithmetic, Paragraph Comprehension, Electronics, Auto & Shop, and Mechanical. Students will also participate in an interest inventory and will learn how to search for careers that combine their interests and academic strengths. If you would like to take this test, sign up [here](#) by October 14th.
