Student Government/Class Officers Sponsors: Classroom Teachers Grades: 6-12

Student government elects four positions: president, vice president, secretary, reporter. These students represent their respective classes. They are expected to be in good standing academically, behaviorally, and with attendance. They are asked to represent their classes in large group meetings. They are also expected to help with the planning and execution of class meetings. At the high school level, each class attempts to raise \$500 per year to pay for junior prom and senior trip.
