Shattered Dreams Program (Initial planned date 03/05/2020)

At the conclusion of our meeting today it has been decided that the Shattered Dreams Program will be postponed until the next school year 2020-2021. We will not adopt a new project for this school but instead we will utilize the rest of the school year as a time to heal and attend/foster the needs of our school community. As a committee we want to thank everyone for understanding and we appreciate your willingness to meet the needs of Bland ISD.

We will NOT meet on Feb 18th as previously planned. We will count today's meeting as the 3rd SHAC meeting, however we WILL continue to keep May 19th as our final meeting.
