We encourage all patrons to visit our Athletic Website and purchase an All Sports Season Pass or individual game tickets. You will be able to present your season pass/game ticket via your Smartphone at the Pass Gate and no exchange of money will have to take place thus helping to keep you and our gate workers safer at athletic events.

Most home events will be Live Streamed with links available on the Athletic Website for viewing by those that feel attendance at events is not prudent. (Website Link below)

A list of scheduled games for viewing will be posted at the first of each week on the athletic website.
