November 11th, 2020

Patrons of Blanchard Public Schools,

Blanchard Public Schools will be in distance learning for the week of November 16th - November 20th. This decision was made due to the increase of positive cases of COVID-19. During the last few days, Blanchard Public Schools has seen a significant increase of positive cases with our faculty, staff and students.

Students will continue to have school work assigned to them to do at their homes. You will receive further instructions from your child's site.

Meals will be provided for all students during this time. Meals are free to any school age student. If you would like a meal for your child(ren), email Jamie Romine, Child Nutrition Director at jromine@blanchard.k12.ok.us. Email the number of meals that you will be picking up. Meals can be picked up at the Blanchard Intermediate School between 10:00am - 10:30am. Breakfast and lunch will be provided at that time.

School activities will continue as scheduled. Updated protocols to be taken at activities are on the school website at www.blanchard.k12.ok.us and on the athletic website at www.blanchardathletics.com.

Please stay safe during this time period. The current plan is to be in distance learning for the next two weeks, be out of school for Thanksgiving Break, and then return to in-person instruction on Monday, November 30th.
