Collin Welper of Shallowater FFA is Named Texas FFA Star Award Winner

Collin Welper pictured with Shallowater High School Ag Teacher, Rob Hawkins.

Shallowater High School student, Collin Welper, of the Shallowater FFA Chapter, was recently named the Star Chapter in Production. Star award winners were recognized at the 90th annual Texas FFA State Convention held July 9-13 in Fort Worth. The state award winner in each category received a \$1,000 Dina Wallrath-Robertson Memorial Star Scholarship made available by the Texas FFA Foundation. Star Awards are given at each degree level in four categories: Placement, Production, Agribusiness and Agriscience. FFA Stars are chosen based on the most outstanding Supervised Agriculture Experience Program within their respective degree and category. Winners maintain a comprehensive record keeping system to help justify and explain their Super-

vised Agricultural Experience (SAE) project. The 90th annual Texas FFA Convention recorded approximately 12,000 members and guests. Members of the state's largest agricultural youth leadership organization spent the week attending leadership workshops, participating in events and activities, being recognized for their achievements, and serving as the legislative body for the Texas FFA Association. The Texas FFA is the nation's largest state FFA association with a membership of more than 123,000. FFA gives students the opportunity to apply practical classroom knowledge to real world experiences through local, state and national competitions. The SHS FFA Chapter continues to excel and is looking forward to another great year. Congratulations, Collin, on your outstanding achievement.

The Lone Star FFA Degree recognizes FFA members who have received the Chapter degree, been active FFA members for at least two years, completed at least four semesters of agricultural science at or above the ninth grade level, maintained a supervised agricultural experience (SAE) program, demonstrated their leadership skills, and have shown a commitment to the FFA through involvement at the chapter level and above. (Student Last Name) was one of more than 2,400 FFA members to receive this esteemed degree. The Shallowater FFA program works hard continuously to grow future leaders. Congratulations recipients.

Sponsor a Child and Make a Difference

Thanks to the Shallowater Student Council's Backpack Buddy Program, over 100 students were fed each weekend during the 2017-18 school year.

The Backpack Buddy program targets all of our students at Shallowater ISD who are fed primarily in the school lunchroom Monday through Friday, but who go hungry on the weekends at home.

Each week, Student council and volunteers stuff bags of food and milk to be distributed to a child's campus. The children identified as being potentially at high risk from being in food insecure homes will receive these backpacks on Friday afternoon for the weekend.

For a one time donation of \$100, you can sponsor a child's backpack snacks for the entire year.

Please consider sponsoring a Backpack Buddy Child for the school year. Your donation could be the difference in a child going to bed hungry.

☐ Yes, I want to make a donation of \$100 to sponsor a child for the 2018-2019 school year.

☐ Please accept my donation of \$_____ to the Backpack Buddy Program.

Dr. Border Among Finalists for 2018 Superintendent of the Year

Five public school administrators from across Texas were selected as state finalists for the annual Superintendent of the Year (SOTY) award. Sponsored by the Texas Association of School Boards (TASB), the SOTY program has recognized exemplary superintendents for excellence and achievement in educational leadership since 1984.

The purpose of the award program is to honor outstanding administrators for achievement and excellence in public school administration. These leaders exhibit exemplary and visionary leadership toward improving student performance. They are chosen for their strong leadership skills, dedication to improving the quality of education in their districts, and commitment to public support and involvement in education.

The state selection committee, which interviewed regional winners August 24-25 in Austin, targeted such issues as advocacy, accountability, the importance of the various roles in a school district, and the district's relationship with the community.

Border has 18 years of administrative experience. He has been superintendent of Shallowater ISD for three years and serves approximately 1,700 students. His desire to see students enjoy their education was cited by the committee, as well as his belief that children are more than their test scores. Border also extends his compassion to his community with a program to support local senior citizens. Border received his bachelor's and master's degrees from The University of Texas of the Permian Basin and his doctorate

from Baylor University.

Dr. Border stated, "I am extremely humbled by this award. It is truly a reflection of the hard work of the students, teachers, parents, and community members of Shallowater ISD more than it is a reflection of me. Shallowater ISD is an amazing school district, and I am simply honored to serve as its superintendent."

The 2018 Superintendent of the Year will be announced September 28 at the TASA/TASB Convention in Austin. The districts of the winning superintendent and state finalists will receive an award from Balfour, program underwriter.

Congratulations, Dr. Border! We are grateful for your leadership and wish you luck in the next step on becoming the 2018 Superintendent of the Year!
