Information for Transfer Application

Attached please find the Application for the Transfer for the 2021-2022 school year. As we move forward to prepare our budgets for the coming year, we need to determine the number of students that the District can accommodate on a transfer basis as we must consider the availability of space and instructional staff for the coming year.

In order to grant a transfer to a non-resident student, the District must receive a fully completed and signed Application for Transfer no later than April 23, 2021 for the coming 2021-2022 school year. Applications shall be submitted to the appropriate campus principal at Waskom ISD in person during regular business hours, mail, or fax.

Failure to provide the completed application by April 23, 2021 will result in an automatic denial of the transfer.

The Principal will review the applications and make a determination no later than May 28, 2021 as to whether the transfer will be granted or denied. The parent will be notified by mail and email at the address provided on the application. The Waskom Independent School District does not discriminate on the basis of race, color, religion, sex, national origin or disability in its programs and activities.

Tuition payment for 2021-2022 school year must be paid in full to Waskom ISD prior to the commencement of the 2021-2022 school year. Failure to pay tuition can serve as grounds for revocation of the transfer agreement.
