We, the Annual Staff of 1961, take great pleasure in presenting the twenty-fourth edition of the Bluebonnet. We hope that you will cherish the memories within these pages as we cherish the memory of our twelve wonderful years of togetherness.

ADMINISTRATION

Dear Seniors,

Every year I am asked to write a message in the school annual, the "Bluebonnet." I assure you that this is a genuine pleasure.

The last fifteen years since World War II have indeed been wonderful years. Great strides have been made in electronics, metallurgy, chemistry, plastics, automation and space travel. What are the next fifteen years going to do for us? Indications point out that still more people will leave the farms. In 1970 there will be three students in high school for every two that are there now. There are supposed to be some 225 million people in the United States. Just what part are you going to play fifteen years from now? Statistics show that over 50% of our high school graduates now attend college. I feel that you should fall in line, if possible, and further prepare yourself for life's work. Good luck to each and everyone of you.

Sincerely,

Elo Rohde

Thanks

In behalf of the entire Bluebonnet Staff, I wish to take this opportunity to thank every one of the advertisers who bought space in the advertising section of this, the 1961 Bluebonnet. Without your support this treasured book of memories would not be possible. To you, who will turn these pages commemorating the 1960-61 school year--read the ads and support the merchants who so generously support our school.
