D. A. R.

Good Citizen

Each year the John Everett Chapter of the Daughters of the American Revolution - of Columbus - award senior girls from various schools the D.A.R. Good Citizenship Award.

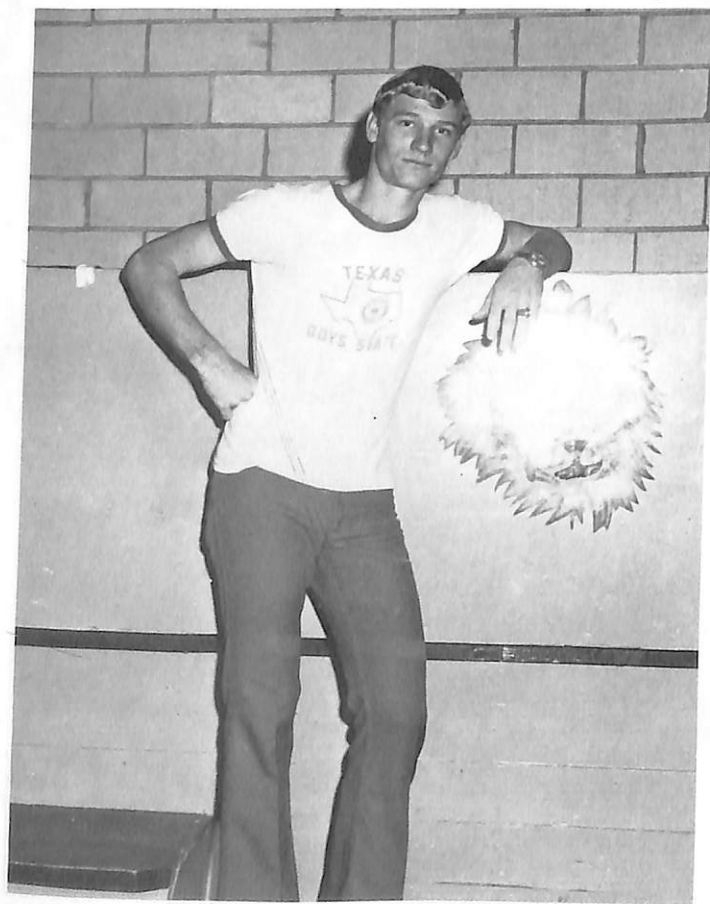

Rebecca Kasmiersky was chosen by the Fayetteville Rural High School faculty. The school faculty makes the selection based on the qualifications of dependability, service, leadership, and patriotism.

The recipient of the D.A.R. award attends a tea in her honor at Columbus.

Boys State

Boys State is a program sponsored by the American Legion and is held at the University of Texas at Austin. James Chovanec was able to participate in the program because the Fayetteville Lions Club sent him as the representative from Fayetteville. The purpose of Boys State is to train young men in citizenship and government. The effectiveness of the program can be expressed in the Boys State motto, "Learning By Doing."

Talented Student Seminar

The six students above represented the school at the Texas Small Schools Association's Talented Student Seminar at Blinn College in Brenham. Many topics were discussed and these usually concern current problem areas helping all the participating students. People experienced in their fields of work give the students their views and present facts to help them gain an insight to the subject.

The experience of going to the Seminar has enlightened the minds of these students. They hope that other students who will participate in this Seminar will feel the same way.
