

United Way
Tulsa Area United Way

CLOSING GAPS. OPENING OPPORTUNITIES.

UNITED WAY IS MORE THAN A FUNDING SOURCE.

It's a catalyst in solving some of our communities' most pressing issues.

Without United Way, our neighbors in Tulsa, Creek, Rogers, Okmulgee, Osage, and Wagoner counties and across 211 Eastern Oklahoma's 37 county service area would be unable to get the food and clothing they need.

Without United Way, programs with creative new solutions to important local issues might not have the upstart funding they need.

Our work ensures that the most effective programs in Eastern Oklahoma are available to everyone who needs them.

TULSA AREA UNITED WAY MOBILIZES COMMUNITIES SO THAT EVERYONE, EVERYWHERE HAS A PATHWAY TO OPPORTUNITIES AND IMPACT.

Union Schools Education FOUNDATION
WWW.UNIONFOUNDATION.ORG

Dear Union Team,

As we kick off the Month of Giving, the Union Schools Education Foundation (USEF) is excited to invite you to be a part of the continued success of our mission - to wholeheartedly support Union Public Schools, its visionary goals, and, above all, the incredible students it serves.

WHY SHOULD I CHOOSE TO SUPPORT USEF?

Every dollar you contribute to USEF remains right here in the district! None of your donated dollars are used to pay for administrative costs, salaries, or event expenses.

WHERE DOES MY DONATION GO?

Your donation directly benefits the teachers and students across our district through our funded programs including:

1. **Educator Grants:** The backbone of our efforts to enrich the learning experience for our students and to provide our educators with the resources they need to make a lasting impact. By funding innovative classroom projects, USEF empowers teachers to create engaging learning experiences that inspire their students' imaginations. *With your Month of Giving support, we have been able to more than double our funded projects since 2018!*
2. **College and Career Center:** At Union High School, the College and Career Center equips students with invaluable resources and guidance, ensuring they are well-prepared for their future endeavors.
3. **Pre-K Transition Camp:** Preparing our youngest scholars for a successful transition to pre-kindergarten, this program fosters a positive early learning experience.
4. **Real-World Experiences:** BizTown provides students with hands-on experience in real-life scenarios, preparing them for the challenges of the professional world.
5. **Union Special Olympics:** Inclusivity and empowerment come together in this program, allowing students with special needs to showcase their talents and abilities.
6. **For the Girls:** Addressing an essential need, this program ensures that female students facing poverty have consistent access to feminine products through school nurses.

We invite you to stand with us in support of education, innovation, and the future of our district. Your donation, regardless of size, contributes to the growth of Union students and supports the district's mission of 100% Graduation, College and Career Ready.

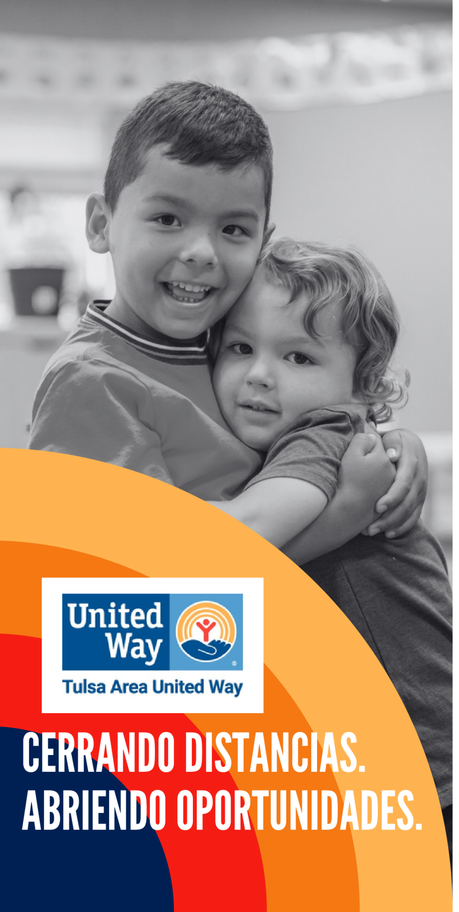

Thank you for considering our request and for your continuous support of Union Schools Education Foundation. Together, we can continue to create positive change, empower students, and build a brighter tomorrow.

With gratitude,

Dear Union Team,

As we kick off the Month of Giving, the Union Schools Education Foundation (USEF) is excited to invite you to be a part of the continued success of our mission - to wholeheartedly support Union Public Schools, its visionary goals, and, above all, the incredible students it serves.

WHY SHOULD I CHOOSE TO SUPPORT USEF?

Every dollar you contribute to USEF remains right here in the district! None of your donated dollars are used to pay for administrative costs, salaries, or event expenses.

WHERE DOES MY DONATION GO?

Your donation directly benefits the teachers and students across our district through our funded programs including:

1. **Educator Grants:** The backbone of our efforts to enrich the learning experience for our students and to provide our educators with the resources they need to make a lasting impact. By funding innovative classroom projects, USEF empowers teachers to create engaging learning experiences that inspire their students' imaginations. *With your Month of Giving support, we have been able to more than double our funded projects since 2018!*
2. **College and Career Center:** At Union High School, the College and Career Center equips students with invaluable resources and guidance, ensuring they are well-prepared for their future endeavors.
3. **Pre-K Transition Camp:** Preparing our youngest scholars for a successful transition to pre-kindergarten, this program fosters a positive early learning experience.
4. **Real-World Experiences:** BizTown provides students with hands-on experience in real-life scenarios, preparing them for the challenges of the professional world.
5. **Union Special Olympics:** Inclusivity and empowerment come together in this program, allowing students with special needs to showcase their talents and abilities.
6. **For the Girls:** Addressing an essential need, this program ensures that female students facing poverty have consistent access to feminine products through school nurses.

We invite you to stand with us in support of education, innovation, and the future of our district. Your donation, regardless of size, contributes to the growth of Union students and supports the district's mission of 100% Graduation, College and Career Ready.

Thank you for considering our request and for your continuous support of Union Schools Education Foundation. Together, we can continue to create positive change, empower students, and build a brighter tomorrow.

With gratitude,

Shea Ludwig
