Dedication

Like so many of the other good things of life, our happy memories are indescribable in terms of value. We, the Seniors of '51, will be able to recall in later years the kindness, the patience, the guidance, and the understanding used in the solution of our many problems.

The possessor of these many wonderful qualities and our steadying hand during this our most trying year is our sponsor and friend, Mrs. Lena Pitson. We hereby humbly and sincerely dedicate this YEARBOOK in her honor.

DEAR PATRONS AND STUDENTS:

As we near the close of this school year, we realize probably more than ever before the serious problems confronting us as school teachers and leaders.

Our schools are an expression of the hopes of the American people. To help prepare children and youth for living now and in tomorrow's world is our common obligation. We are proud of the high place our school has achieved in this community.

The Star-Spangled Banner rippling in the breeze is our symbol for the living principles of freedom which are the priceless heritage of every American citizen. Our history is filled with the deeds of our great builders who died in order to preserve these principles.

The Declaration of Independence, the Constitution, and the other charters of liberty are the Bible of our heritage. The free public school, open to every child, is the very life blood of our free government.

To be worthy of these precious blessings, we must protect them against all inroads, strengthen our free institutions, increase efficiency in government at all levels, enrich home and family life, improve human relations, and work for world understanding and peace.

To all of you, may I say that our school is always seeking to make the most of each boy and girl, provide a soil and a climate in which the finer values of life can grow. We seek to arouse aspiration, to inspire the search for truth, and to quicken the sense of common and social justice on behalf of humanity.

All this, however, cannot be done by schools alone, indispensable as they are. There must be teamwork of church leadership, home and school partnership, coordination of all forces serving children and youth, and legislation. Teamwork alone can remove the conditions which cheapen character and destroy basic values.

Graduating Class, as you turn through the pages of this YEARBOOK in years to come, we hope you will recall happy memories of a school life well spent. To the future graduating classes, our hopes are that you will begin now to work harder toward preparation for our leaders of tomorrow. Yours are the most complex problems to serve that have ever confronted youth at any age.

Best of hopes always toward a better and brighter tomorrow.

Your friend and counsellor,

O. G. Schubert

SUPERINTENDENT

Administration

Union High School, our haven of education, is governed by the Board of Education, composed of five civic-minded, locally prominent citizens. They are left to right: Mr. Earl Davis and Mr. Earl Tinney, Members; Mrs. Guy Miller, Secretary; Mr. T. W. Peters, President; Mr. O. G. Schubert, Superintendent of Schools; and Mr. L. O. Flud, Vice-President.

The responsibilities of the school rest upon their shoulders. It is by their time and services for which they receive no compensation that the many improvements are made.

It is with sincere appreciation that we, the Seniors of '51, express our thanks for their judicious handling of the business of the school and for their success in making our way easier and more beneficial.

Class History

In September 1947, twenty-two adventurous boys and girls boarded the Union Rocket ready to start the journey around high school world. They were Genevieve Zerbe, Don Downey, Shirley McDaniel, Jim Hardcastle, Floyd Davis, Jerry Bethell, Jessie Maye Wright, Donna Whittington, Bill Boevers, Betty Edwards, Kenneth Medlin, Lenora Gaylor, Dorothy Holladay, Bill Jones, Vera Sellers, Bonnie Sellers, Hilda Jones, Iva Mae Newman, Darrell Hayes, Helen Haworth, Edward Jones, and Inia Newman. When we were half-way through Freshman Straits, Gerald Bray and Luonna Hendricks boarded our train. Miss Naomi Snoddy was engineering the course.

The famous island of General Math, the English Gardens, Oklahoma History and Civics Lakes were the popular scenes of interest. However, the Home Economics and Agricultural Deltas were visited by some. Our first rest period was between Freshman and Sophomore Lands. During this period we recalled many honors that had befallen our studious group of twenty-four.

Twenty-two excited members of this group met on the deck in September of '48 to continue our journey. Floyd Davis and Betty Edwards had gone astray to lands unknown. We picked up Barbara Hobbs, Jodie Casler, Woodie Goeringer, Roy Masterson, Mack Rothrock, and Kent Clark and shoved off to explore Sophomore Sea. Admiral Chester Elick steered our Ship, the U. S. S. Union.

The main subjects of interest on this lap of our journey were the Algebra Island, English Mountains, General Science Tower and Home Ec and Agricultural Wanders of the Sea. Typing Tips were explored by some. Again we rested between Sophomore Lands and Junior Heights. Many items of interest and pleasant memories are among our souvenirs.

Inia Newman, Iva Mae Newman, Vera Sellers, Bonnie Sellers, Donna Whittington, Helen Haworth, Genevieve Zerbe, Hilda Jones, Edward Jones, Gerald Bray, Woodie Goeringer, Bill Jones, and Kent Clark left us during this period. But Louvina Chalakee, Martha Chalakee, Marcella Litka, and Lottie Poole were new passengers for our flight over Junior Heights which began the last week in August of 1949 aboard the special plane "The Spirit of Union." Our destination was Senior Mountains. Mr. Francis Ford was our pilot.

Speech Arts, English III, Biology, American History, Geometry, Typing II, Agriculture III, and Home Economics III were the chief spots on our map. Band, Athletics, Glee Club, and Mixed Chorus were places that could be found. Our Junior Play, "Aunt Susie Shoots the Works," was a main feature of the flight. The many members of the cast made the play a great success. The Seniors of 1950 were our guests of honor at our "Good Luck" Junior--Senior Banquet. In return, we were entertained by the Seniors at a nice Sunrise Breakfast.

Another rest period between Junior Heights and Senior Mountains and we are ready for the last lap of our journey--a climb up the famed Senior Trail to the top of the mountains--GRADUATION. There are fourteen members present for this climb. Lottie Poole, Louvina Chalakee, Martha Chalakee, Marcella Litka, and Bill Jones have gone astray to greener pastures. Mrs. Lena Pitson and Mr. Francis Ford are our guests. Typing II, Bookkeeping, Home Ec, Agriculture, Geometry, Biology, English IV, Speech Arts, and Music Theory were our rest stops for the climb.

Our Senior rings were the main attraction of the first part of our climb. Later there were our Senior pictures. Then we presented our Senior Play, "Here Comes Charlie," and broke all records of proceeds, as well as entertainment. Sneak Day came early in May and our Yearbooks were distributed near the end of the climb.

Finally, we find ourselves facing the place of our greatest expectations--Graduation. There is rejoicing and yet sadness also prevails. As we view the group about us, we realize that Bill Boevers, Lenora Gaylor, Jim Hardcastle, and Dorothy Holladay have received their 12 years of education at Union. We've all had many happy times together. We realize that now we will part from our loyal friends and classmates, beloved faculty and sponsors, and the many happy times we've had together. We go to scatter the seeds of our knowledge and wisdom to the four winds of destiny. May fate be kind to each of us as we say adieu to dear old Union High.

Prophecy

Darkness is hovering over a small group of people. Weary from the day's work we sit drowsily, almost in a daze, watching the smoke from the campfire curling upward to the heavens. We are not sure whether we are completely transformed into another world or just dreaming, when we see certain visions appear in the smoke.

Who is that tall, dark, and handsome actor that has come into view? Why it's Kenneth Medlin, the famous matinee idol of millions. Kenneth developed his talent in the High School Plays presented at Union! Just like the old days eh, Casanova?? er...Mortimer?

Another member of the class of '51 has comes into view. Lenora Gaylor! She has joined the Northwest Mounted Police. The "Mounties" always get their man...Just ask Dale!

Pigs? Why it's Bill Boevers, the new Secretary of Agriculture. The girls lost out! I guess cows and pigs are still Bill's chief interest.

Jessie Maye Wright, I mean Mrs. Paul Randall--and her three sets of twins, all boys too! Paul insists they are going to rear a football team!

What's this? Why it's Jerry Bethell and he is making a name for himself in the field of music. Look at those bobby soxers swoon! His wife, Barbara, is so jealous of the teenagers since they even hide under his bed that she is going home to mother! Jerry got his training in Mixed Chorus at Union.

Who is this character coming into view? It's Jodie Casler who is now the gun moll of a famous racketeer, "Bad Boy Johnson." She is still helping him evade the draft! Careful, Jodie, you are playing with fire!!

Next comes Dorothy Holladay who has landed quite a catch. She is now Mrs. James Martin, the wife of the Bubble Gum Tycoon. You usually find Dorothy "fuming." She hates her husband's product. Guess it gets in her hair!

As we throw another log on the fire, Lu Hendricks and Don Downey come into view. They are finally Mister and Mistress. Don is planning the grand opening of their new diaper laundry. Leave it to Downey to plan ahead.

What's that rumble we hear in the distance? It's Bab-o Hobbs driving that beat-up, strip-down truck home from the wars. Barbara is a General in the Wacs. She received her training while dodging the fire at Union.

A large river comes into view. Why Darrell Hayes is running a tugboat on the Arkansas. What happened to the Merchant Marines, Darrell?

A glimpse of Shirley McDaniel can be seen in the distance. She has passed the exams at Harvard and is an honorary member of two fraternities--leave it to Shirley to find the men--good work if you can get it!!

Two more of our classmates have gone into business together. They are Roy Masterson and Jim Hardcastle. Roy is now a famous doctor and after every failure, he sends the remains to Jim who owns the nicest funeral parlor in Alsuma.

As the campfire dies down to a few smoldering embers, we all drift peacefully off to sleep, each happy and content with the prospects of what the future has in store for us.

Class Will

We, the Class of '51, School of Union, County of Tulsa, State of Oklahoma, not too sound in mind, being in good physical condition and much better temperament than usual, do hereby make this our last will and testament, rendering void and of no avail any former will or wills that may have been made by us during a period of temporary optimism.

First of all, to our dear Ole Alma Mater, we leave all honors and records of achievement that may have been ours during our sojourn here, and that our future may hold.

To our dear friends, Mr. Cantrell and Mr. Cosper, we leave any old notes, candy wrappers, and wads of gum they may find here and there.

To Mr. Grove, we leave a sense of relief that at last we have graduated, pleasant memories of our years together, and the realization that any glories that may be ours in the future will be due largely to his example and counsel. We also bequeath to him a megaphone to call the couples to classes.

To Mrs. Pitson and Mr. Ford, we bequeath our sincere thanks and appreciation for their guidance and understanding of our problems during our Junior and Senior years.

I, Don Downey, will my love of long hair to Billy Bob Wilson (try fertilizer, Carol).
I, Barbara Hobbs, will my bobby pins and Toni kit to Jack Rothrock (go to it, Curly).
I, Darrell Hayes, will my ability to play post to Don Davis (get in there and hustle fella).
I, Jodie Casler, will the use o f my gray Model A to Junior Johnson (no girls allowed).
I, Roy Masterson, will my ability to make long shots to Junior Johnson. (Watch him, Casler).
I, Lu Hendricks, will my shoes to Junior Johnson (Saddles that is! Ride 'em, Cowboy!)
I, Bill Boevers, will my hot cornet to Orin Harris (blow it right, boy!).
I, Shirley McDaniel, will my ability to raise one eyebrow to Carole Schubert. (One gives a better effect, Carole.)
I, Kenneth Medlin, will my good looks and ability to get along with the girls to Bill Hobbs. (See if you can match my record, Hobbsy.)
I, Jessie Maye Wright, will my ability to get along with the soldier boys to Ruby Jo Masterson. (Hope you can do better than I, Ruby.)
I, Jim Hardcastle, will my bookkeeping abilities to Bob Wilson. (Wade through it, Son.)
I, Dorothy Holladay, will my height to Roy Walker. (Grow tall, Shorty!)
I, Lenora Gaylor, will my sweet disposition to Barbara Bumgarner and Carol Nimerick. (Try it, girls, it is really not so hard.)
I, Jerry Bethell, will my one-arm driving abilities to Barbara Sue Munn. (Watch those gears, Susie!)

Any property or personal possessions that may remain in addition to the items specified, we bequeath to the Junior Class.

We do hereby name and appoint as the Sole Executor of this, our last will and testament, our class advisor, Mrs. Lena Pitson.

In witness whereof we, the Class of 1951, have set our hand and seal this 16th day of May in the year 1951.

Dorothy Holladay — Shirley McDaniel
Jerry Bethell — Don Downey
Jimmy Hardcastle — Roy Masterson
Kenneth Medlin — Lenora Gaylor
Barbara Hobbs — Billy Joe Boevers
Lwonna Hendricks — Darrell Hayes
Jessie Maye Wright — Jodie Casler
