Course Offerings

GED/HiSet Preparation Classes

We offer free morning, afternoon, and evening preparatory classes for adult students seeking their High School Equivalency Diploma. Our classes are designed to help students at all skill levels to best prepare them for subject area testing. Test subjects include Math, Language Arts, Science, and Social Studies. Test options include GED and HiSET®. Aligned with the College and Career Readiness Standards for Adult Education, the HiSET exam gives out-of-school youth and adults the best opportunity to demonstrate their skills and knowledge and earn a state-issued high school equivalency credential.

English as a Second Language Classes

We offer free morning and evening English as a Second Language (ESL) classes for adult students in the Tulsa Metro Area. Our classes help students improve their listening, speaking, reading, and writing skills.

CAP Tulsa (Community Action Project) Family Literacy Classes

Free English classes are available to parents of children enrolled at CAP Tulsa who want to learn English. Each course is specifically designed to meet the unique needs of students while helping to improve conversational English skills.

Testing Center

An official Pearson VUE* authorized testing center is located on-site at Union Adult Learning Center.

We offer HSE/GED and other exams to obtain certification in industries such as IT, Health, Education, Finance, and many more. Tests must be scheduled through the appropriate testing vendors.

*Pearson VUE delivers more than 15 million certification and licensure exams annually in every industry from academia and admissions to IT and healthcare.

Celebrating Our Graduates!

Regardless of the time of year students earn their diploma, they are invited to participate in our annual graduation. Students walk the stage in their caps and gowns, just like a traditional high school graduation, with their families in the audience cheering them on. We take great pride in the success of our students!
