February 23, 2021

Dear School Counselor,

Some of the employees of the Beaver County Memorial Hospital will be offering scholarships this year to students or residents of Beaver County who are interested in a career in the medical field and would possibly be interested in working at one of the facilities in Beaver upon completion of their education.

As before, we are extending this scholarship to seniors in Beaver County Schools or residents of Beaver County who might be attending schools out of the county, college students or residents interested in starting to school and who are interested in the medical field.

We would like for applications to be sent to: Katy Rigdon Scholarship Chairperson, P.O. Box 640 Beaver, OK 73932, by April 23rd 2021. Our decision will be made and a letter will be sent to all applicants and or recipients.

We look forward to trying to be of assistance to students and their future educational plans.

Sincerely,

Katy Rigdon
Scholarship Chairperson
