Balko Public School Local Charge Policy

July 1, 2017

Balko Public School provides nutritional meals at the lowest prices currently possible. Our child nutrition program operates on a non-profit basis. Students who have need of financial help have the opportunity to apply for free or reduced priced meals. Households must complete a new application every year. Anyone needing assistance completing the application can contact Anna Patzkowsky at 580-646-3385. Families may apply (or reapply) for free or reduced price meals at anytime during the school year.

Balko School has a no charge meal policy.

Meals may be paid for by the week, month, semester, or year, but, must be kept current. Any student who owes a breakfast/lunch bill for more than 10 (ten) days, will not be allowed to charge meals. We ask the parent/guardian to send a sack lunch with your child until the account is taken care of. If you are unable to provide a sack lunch, we will continue to serve your child a reimbursable meal for 10 (ten) days while working with the family to obtain payment. Breakfast/lunch statement reminders will be sent home periodically. You can also log into the Grade Book and check your child's balance at any time.

Our goal is to provide every child a reimbursable meal. We encourage all parents/guardians to keep your child's account current.
