Dear Parent(s)/ Guardian(s),

I am writing to inform you that on August 23, 2019, Governor Pritzker signed HB 3586. HB 3586 is legislation that states all Illinois public school districts will have to adhere to additional requirements related to the provision of special education. Cook County School District 130 will be in compliance with this legislation. Based on these changes, Cook County School District 130 will:

- Ensure that related service logs are available at the student's annual review or upon the request of the parent/ guardian.
- Ensure that a draft of all reports to be discussed at a child's IEP will be made available three days prior to the child's IEP.

If you have any questions or concerns about this new legislation, please feel free to contact me at (708)-389-7580 or you may contact your child's school.

Sincerely,
