

Lesson 23: Things People Do

Analogies can be used to connect people with the actions they perform.

Key to Solving

How are these words related? surgeon, operates

The word operates tells what a surgeon does.

What does a jockey do? A jockey rides.

Surgeon is to operates as jockey is to rides.

Directions: Choose the correct action from the second column for each person in the first column.

- | | |
|-------------------------|------------|
| _____ 1. architect | a. advises |
| _____ 2. carpenter | b. fights |
| _____ 3. soldier | c. patrols |
| _____ 4. pilot | d. designs |
