

# Lesson 28: Where Is It Found? .....

Analogies can be used to connect objects, people, or animals with the places they are found.

**Key to Solving**

**How are these words related? buffalo, prairie**

**The word prairie tells where a buffalo is found.**

**Where is a cow found? A cow is found in a pasture.**

**Buffalo is to prairie as cow is to pasture.**

**Directions:** Choose the correct location from the second column for each person, animal, or object in the first column.

- |       |                        |                       |
|-------|------------------------|-----------------------|
| _____ | <b>1.</b> teller       | <b>a.</b> kitchen     |
| _____ | <b>2.</b> race car     | <b>b.</b> track       |
| _____ | <b>3.</b> stove        | <b>c.</b> underground |
| _____ | <b>4.</b> blanket      | <b>d.</b> coop        |
| _____ | <b>5.</b> monarch      | <b>e.</b> range       |
| _____ | <b>6.</b> piglet       | <b>f.</b> workshop    |
| _____ | <b>7.</b> earthworm    | <b>g.</b> bank        |
| _____ | <b>8.</b> cowboy       | <b>h.</b> bedroom     |
| _____ | <b>9.</b> chicken      | <b>i.</b> sty         |
| _____ | <b>10.</b> screwdriver | <b>j.</b> throne      |

**TRY THIS**

**Think of another person, animal, or object that could be found in each location.**
